

Dear Friend,

2020/2021 has been quite the ride to say the least, Covid-19 kept us indoors and limited our normal day to day operations. We cancelled our 2020, 2021 and now the 2022 annual banquet. Please check our facebook and instagram pages for any current information updates and members posts, as well as our website (buckstu.org) and chapter emails. We still plan and attempt to hold our MONTHLY meetings, but please check the email updates to each specific meeting. With the uncertainty of the BCTU annual events in the immediate future, we have created a simple raffle to allow our chapter to enjoy the banquet style event with social distancing.

***We plan to pull the winning tickets LIVE at our March 26th Chapter Meeting, WITH SPECIAL GUEST SPEAKER GEORGE DANIELS, we will follow the local masking guidelines AT THE TIME OF THE EVENT (please be prepared that if a mask IS required, you're prepared)***

You may purchase sets of (1) ticket for 30.00 and select which group (Brook, Brown, or Rainbow) or multiples by selecting a quantity at each group, or a SUPER TICKET, which gets you all (3) groups AND a chance at the BONUS 3 that ONLY SUPER TICKET purchasers can win!

Each ticket will be eligible for ALL prizes in that category. For example, if you purchase a Brook raffle for 30.00, your ticket is entered for EVERY item listed in the category. If you purchase a SUPER TICKET your ticket will be entered to win every prize listed in all categories. One ticket can win MULTIPLE prizes.

We may have some additional items added to the raffle prize list that you will NOT see on the prize list, consider these small bonus items. Another note, you DO NOT need to be present at the meeting to win an item. We will contact you thru phone or email to arrange pickup of your prize.

Prizes NOT claimed OR arrangements made within 30 days of March 26th, will forfeit the prize back to BCTU.

This raffle is what generates our operating funds for the year, it goes to monthly meetings, guest speakers, stream work, tree plantings, mailers, and our current project on Aquetong Spring Creek.
